Business Intelligence Analyst

About Me

I am a curious analyst who loves turning messy data into clear stories for operations and finance teams.

Experience

Business Intelligence Analyst
Cedar & Pine Outdoor Co. | Seattle, WA | 2021 – Present

- Built a Looker sales dashboard used weekly by 45 regional managers.
- Responsible for maintaining dbt models for the finance team.
- Automated the monthly inventory report, saving 10 hours a month.

Data Analyst
Rainier Health Network | Tacoma, WA | Jun 2018 – Dec 2020

- Helped with reporting for the patient experience team.
- Worked on cleaning appointment data in SQL.
- Presented findings.

Education

B.S. Statistics, Western Washington University | 2014 – 2018
